BRADFORD ACADEMY is the oldest seminary for young women in the country, founded in 1803 and incorporated in 1804. The school edifice including the boarding and school departments under the same roof, is located near the centre of an area of twenty-five acres, twelve of which is covered with a forest of oaks sprinkled with the rare tupelo trees and fringed with the poplar leaved birch.

It has spacious corridors, is lighted with gas, heated by steam, is furnished with bathing rooms and all modern conveniences for comfort and health. Music and Art departments are separate.

The views on every side have rare beauty. The valley of the Merrimaek with the surrounding heights, the mingling of forest and meadow, of lake and river, of village and city with shaded streets, as seen from the windows of our Academy, give exquisite enjoyment to all who have a love for natural beauty.

OBJECT OF THE INSTITUTION.

BRADFORD ACADEMY is in the interest of Christian education. The trustees have no interest in it financially. They receive nothing for its care. All that comes from the school is expended for the pupils. The design is the development of Christian womanhood. By the best nurture, by the choicest instruction, by all personal influence and example, the teachers endeavor to train the pupils for the highest service to which God may call them. The Academy has a sacred history. Mrs. Judson and Harriet Newell were among its early pupils. The whole history has been marked by revivals. Its pupils are in all the world. The influence of its Christian teachers is felt far and wide.

BRADFORD ACADEMY,

Bradford, Mass.

TUPELO LAKE, from the Bridge.

A parlor and two sleeping rooms constitute a suite to be occupied by four pupils. Single bed rooms can be had for additional charge. All the suites in the East and West wings are furnished with single beds. These rooms are eleven and twelve feet high, and receive a full supply of air and sun-light. The furniture, carpeting and bedding are tasteful and comfortable. There are no dark bedrooms. There is not an unpleasant room. The front windows look out on the valley of the Merrimack and the city of Haverhill, lying on the sunny slopes of the northern banks. The views in the rear take in a wide range of meadow and forest.

The Academy enjoys a national reputation and patronage, and fits large classes for the best colleges, for the scientific schools, and, in some cases, for the professional schools. The Classical Course is four years, and includes required and elective studies in English, Latin, Greek, French, German, Mathematics, History, and Natural Sciences, and prepares for the college courses leading to the A. B. degree. The English Department includes required and elective courses in the same subjects, the emphasis being laid on the mathematical and scientific studies. Students are prepared for the scientific schools and for college courses leading to the B. S. degree. The fourth year in this department is adapted to graduates of high schools and others who do not expect to go to college, or who wish to broaden their preparation for college, or who are to enter professional schools. The aggregate attendance exceeds four hundred, about half from New England and half from outside New England. Over a hundred pupils went to college last year. The benevolent work of the school amounts to five thousand dollars a year. For catalogue and further information, address the Principal.

ABBOT ACADEMY.

ANDOVER, MASS.

Abbot Academy for young ladies will begin its sixty-fourth year with superior opportunities for a thorough and refining education. Draper Hall, with its many modern conveniences will furnish a pleasant home for the English and German scholars, the latter having separate tables, where the conversation is under the direction of a native German teacher. The French students occupy a house by themselves, where French is spoken.

The whole course of study covers four years, and embraces all the usual academical studies, special attention being given to Mental and Moral Philosophy, English and General Literature, the History of Art, and to the Latin, Greek, French, and German Languages. Superior advantages are offered in Music, Drawing, Painting, and Eloquence. In connection with the above complete academic course wider scope will hereafter be given to the study of Greek in a special course for fitting girls for college. This Academy also enjoys many incidental advantages through the other literary institutions in the same town, while easy access to Boston brings within its reach fine Music, Art Galleries, and Museums. The Academy has a fine Clark Telescope, good working cabinets, models, and apparatus of its own.

At the opening of the year in September, the Principalship will be assumed by Miss LAURA S. WATSON, who brings with her large and successful experience in teaching and high personal culture. Miss KATHERINE HUTCHINSON, an experienced classical teacher, and Miss EMMA F. CHADBOURNE, have been added to the already excellent corps of instructors.

The total expenses for board, including fuel, lights, and washing, and for tuition, except Music and Drawing, are \$400 per annum. The sixty-fourth year begins on Thursday, Sept. 15, 1892. Apply for catalogues to W. F. DRAFER. For information or admission till September, to

HISTORY OF BILLERICA

WITH A GENEALOGICAL REGISTER.

Has borne the test of use and critical examination, and approved itself as one of the best of
the Town Histories.

The Genealogical Register embodies all births, marriages, and deaths found in the town records prior to 1800 (in fact to 1840), with additions and connecting links, gleaned from grave-stones, public records, and many other sources; and early lines are brought down to date. All families bearing the names Farmer, Jefts, Kidder, Kittredge, Pollard, Shed, and Toothaker, whose lines in this country go back to 1700, will find their American progenitor in Billerica. Extensive branches were also here of the families of Crosby, Danforth, Farley, French, Frost, Hill, Manning, Parker, Patton, Richardson, Rogers, Stearns and Whiting. Lists of the soldiers in the early Indian wars, as well as the Revolution and the Rebellion, will be found, and nearly all the early families will find their representatives among them.

To the sons and daughters of Billerica, scattered through the land, and to the large and increasing number who are interested in our local history and genealogy, this volume is confidently commended as worthy of their attention and patronage. It is a handsome octavo of 520 pages, and sold in cloth binding or in sheets, at the low price of \$4.00 and cost of delivery (*by mail 25 cents*).

As the edition is limited, all who wish to secure it at this price will do well to send orders early to

HENRY A. HAZEN, Congregational House, Boston.

ALSO, BY THE SAME AUTHOR,

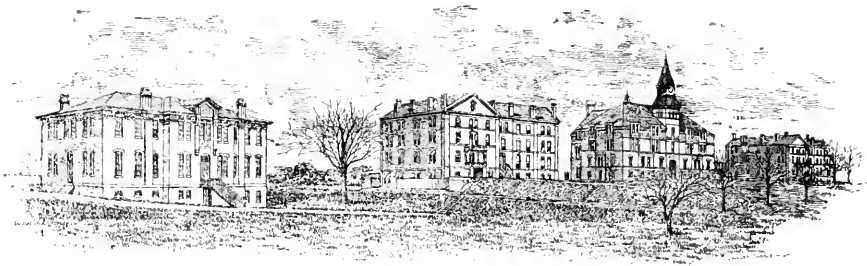

THE MINISTRY AND CHURCHES OF NEW HAMPSHIRE.

A work of great convenience and value to all who are interested in the religious history of the State or the country.

The price is reduced to \$1.00, including postage, and it may be ordered as above.

THE PASTORS OF NEW HAMPSHIRE,

A supplementary pamphlet. A few remaining copies will be sent for 50 cts. each. Order as above.

ATLANTA UNIVERSITY,

ATLANTA, GA.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

The institution has 600 students, under 28 officers and teachers, in all grades of study, from the primary school up through grammar, normal and collegiate courses.

Industrial training is given to boys in wood-working, iron-working, mechanical drawing, printing, farming, and shoemaking; and to girls in printing, cooking, sewing, dress-making, laundry work, and domestic economy.

The religious training given is thoroughly Christian, but strictly unsectarian. An eminent Georgian recently said: "The public school teachers furnished by Atlanta University have not only the education, but also the *character* needed, and they do as good work as is done in the white schools."

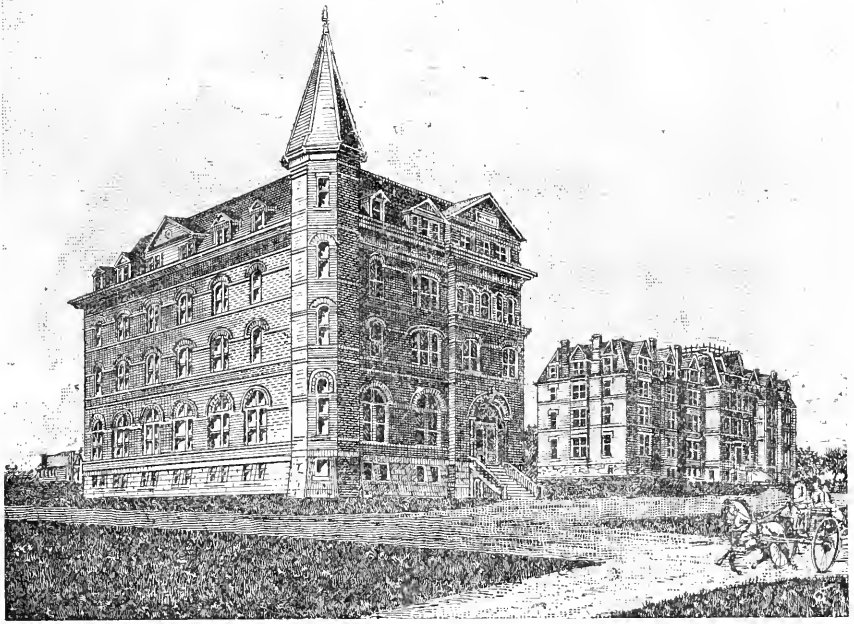

The 238 graduates from normal and college courses are spreading their leavening influence through Georgia and surrounding States. More than two thirds are teaching, many being principals of city schools. Hundreds of undergraduates are also teaching every summer. As many as 15,000 children are taught annually by teachers trained in the University.

The property consists of sixty acres of land within the corporate limits of Atlanta, four large brick buildings, substantially but very economically built, library of 7,000 volumes, apparatus and industrial equipment. Besides about \$26,000 of invested funds, mostly scholarships, it has no endowment.

An endowment of at least \$500,000 for current expenses is urgently needed, and until it is secured an appeal must be made for annual scholarships to carry on the work now organized.

An annual scholarship of \$40 for each student will cover the cost of tuition over and above the nominal tuition fees paid by the student. Sunday schools, Christian Endeavor societies, and individuals frequently furnish one or more of these scholarships.

Legacies should be made payable to "The trustees of the Atlanta University in Atlanta, Ga."

THEOLOGICAL HALL.

Fisk University has in successful operation the following departments :

- I. **THE COMMON ENGLISH**, which has been maintained to meet a continued need on the part of many of the patrons of the University.
- II. **THE NORMAL**, which has a course of study extending over four years, beginning with Latin and Algebra.
- III. **THE COLLEGE PREPARATORY**, which has a course of study extending over three years, beginning with Latin and Algebra, and requiring two years of Greek.
- IV. **THE COLLEGE**, which was a four-years course of study additional to that provided in the College Preparatory course.
- V. **DEPARTMENT OF MUSIC**, with an extended course in both instrumental music and voice culture. There are 150 pupils in this Department. In addition, vocal music is taught throughout all the courses of study. The Mozart Society studies and renders the Classics in music.
- VI. **INDUSTRIAL**. Printing and Carpentry are taught to young men. The young women are instructed in Nursing, Cooking, Sewing and Printing.
- VII. **THEOLOGICAL**. For the use of this Department the building represented by the above cut has been erected by the American Missionary Association. It will be ready for occupation as soon as the rooms can be furnished. The course of study extends over three years.

The University has a campus of over thirty acres, with buildings and other appliances for its educational work, which could not be replaced for \$300,000. Number of students 521.

The University is without endowment. The annual expenses, above the small income from students, are met by voluntary contributions, made directly to the University, or through the American Missionary Association which founded the University and has continually fostered it. **THE DEMAND IS NOW IMPERATIVE FOR AN ADEQUATE ENDOWMENT.** Happly some one reading these lines may find pleasure in helping towards this endowment.

The Scholastic Year 1892-93 will open September 26th.

INTRODUCTORY.

The YEAR-BOOK greets the churches again, but *not* in May. The hope expressed last year has not been realized. Some of the early reports came to hand with unusual promptness. Remote Oregon was among the very first to appear, Feb. 15, only a day later than Missouri and New Hampshire, and followed by Rhode Island. The Massachusetts table, with reports from every one of its 573 churches, was practically completed March 1. Later reports, however, did not fulfil the earlier promise, but showed increasing tardiness, and the final returns were almost a month behind the mark of last year. It is only by special pressure of editing and printing that this issue is accomplished before July.

We regret the delay, but are not discouraged by it, and we repeat the statement of last year — with as much confidence as before, “A YEAR-BOOK in May, if all do their best, can greet the churches in ” 1893.

To this end, one essential point to be secured is an awakening on the part of the churches to the consequence and value of the report to themselves which they are asked to make Jan. 1. These annual statements are important way-marks in the record of their progress and material for their history. Whoever is called upon to write a history of the churches, or any one of them, is very sure to resort at once to the files of the QUARTERLY and YEAR-BOOK, and find his most indispensable aid. For its own sake, every church should see to it that these statements from year to year are consecutive and complete. And its relations to the larger fraternity of churches and the work all are doing emphasizes the duty.

It is the excellent custom of some reporters to submit the items for this statement to the church, in substance, at a meeting in December. This helps to secure such interest in the matter as every church ought to feel. Errors also may thus be corrected, and the report be ready for prompt return as called for, Jan. 1. It will take no more time to prepare the substance of this report in December than January, and your punctuality and carefulness will lighten the labors of secretaries and editor, and help them meet the urgent call of the churches for an early issue of the YEAR-BOOK.

Will you do your part to this end? The delays and carelessness of a few tardy reports nearly double the labor of issuing the YEAR-BOOK, and add weeks or months to its delay. When *all* will report with care Jan. 1, the YEAR-BOOK can be published in April.

Attention is invited to the census of our churches, made by the United States Government, and not yet officially published. As the first census of the churches ever undertaken by the Government, it will have special interest; and when the results for all denominations are issued with their summaries they will have great significance in many of our inquiries.

The methods of reporting the names of ministers still need attention and revision in several States. Reporting secretaries may fairly be reminded that they are doing this work for the YEAR-BOOK, and that the YEAR-BOOK's method is the one which they must adopt if they would make their work as useful as may be to the churches. For their own Minutes they may have different rules, better rules. Perfection is not claimed for those of the YEAR-BOOK, only that they are the result of years of experience and expert study, and are at least fairly good; and that as long as they *are*

the YEAR-BOOK'S rules, every assistant editor, which each secretary is, may properly be expected to follow them. Some of these rules are frequently neglected by reporters, with the result of confusion and errors in the list, for errors, once started, will often remain, in spite of the best efforts to eliminate them. The questions and perplexities of the list have occupied most of the editor's time for some weeks. If the reporters had given heed to these simple rules nine tenths of the questions could not have occurred: —

1. In your *tables*, bracket every name of a minister who is not a Congregational minister, and of every man whose ordination *date* is not reported. Men who are not ordained are not ministers in our usage of the word, and ministers who belong to and are reported by other denominations are not Congregational ministers. In the YEAR-BOOK'S list neither of these classes of names can appear, if we are to keep it what we call it, and if the distinction is not kept clear in the tables, the confusion will reappear in the list.

2. In your list insert every name of a Congregational minister found in the tables. The two are co-ordinate, and should correspond exactly. If you are not responsible for any names, star them, but do not omit them. Every minister serving a church has as much claim to have his name stand in the list as table and with the star you take no more responsibility in one case than the other.

3. Do not confuse the list of ministers by inserting a single licentiate, or minister who is not a Congregationalist. After the list of one state had been checked off in the YEAR-BOOK, a half dozen names were detected belonging to these classes with no hint of their true standing.

The statistical secretaries are reminded of their meeting to be held at Plymouth Church, Minneapolis, Tuesday, Oct. 11, at 10 o'clock. They are all honorary members of the Council, and it is hoped we shall have a full attendance.

Acting under the instructions of the National Council, the Provisional Committee has appointed a committee to do whatever shall be found practicable in the line of co-operation, or a special exhibit, at the Columbian Exposition in Chicago in 1893. James G. Johnson, D.D., 7 Ritchie Place, Chicago, is convener of this committee, and any communications on the subject may be addressed to him.

SAMUEL B. FORBES.

HARTFORD, CONN., June 17, 1892.

INTERNATIONAL CONGREGATIONAL COUNCIL.

THIS representative body of Congregationalists was held in London, July 13-22, 1891. Three hundred and five delegates were present, of whom 102 were from England, and 101 from the United States. Some changes occurred in the American delegation, after the list in the last *Year-Book* was printed, and the historic interest in the membership of this first International Council seems sufficient to call for the reprinting of this roll, with due changes. This is the more important, as the alphabetical list in the official volume of the Council needs several changes.

The list of delegates from this country, as given below, consists of (1) those originally appointed by the Council at Worcester; (2) those who were appointed by various State bodies, one each, as they were invited by the Council to do; (3) delegates named by benevolent societies and theological seminaries, whose nominations were invited by the committee; and (4) those appointed by the committee of eleven to complete the quota of one hundred and to fill all vacancies, as authorized by the Council.

The numerals refer to the four classes named in the preceding paragraph. In three cases, delegates already appointed were requested also to represent certain societies, Rev. Messrs. Andrews and Slocum were appointed by the committee, at the request of the secretaries of Alabama and Colorado, and were in fact, though not in form, delegates from those States. So accounting them, 17 delegates belonged to the first class; 25 States were represented; 9 societies and seminaries sent their own delegates — the eight societies, however, being all represented, — and 50 delegates were named by the committee of eleven appointed by the delegates for this and all preliminary arrangements on our part. Of the whole number, 18 were laymen. The roll of delegates actually present is as follows: —

NOTE. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

THE NEW FIRST CONGREGATIONAL CHURCH AT DETROIT, MICH.

The accompanying illustration presents a perspective view of this church, and of its church house, together with ground plans of the two buildings. The external beauty of the new home tells its own story. The site is of ample area; 128½ feet front by 218 feet deep.

The church is of the Byzantine style of design. It is built of a rough-dressed, warm, but not very dark, red stone of irregular sizes laid in broken courses. The interior of the church, with its domed chancel and choir stalls of oak, its transepts and nave, its groups of chancel arches, its massive transept arches, its level floor, and freedom from galleries and pillars and its stately wealth of symbolism, and color in its decorations, is essentially the interior of a house of worship, impressive in its simplicity of form and devotional in the feeling it inspires. Indeed, it is cordially stated by many persons well equipped — by reason of their tastes and opportunities — for an expression of opinion upon such a matter, that nowhere among the churches of the United States is there another interior so complete, so appropriate, and so beautiful in all of its details as this.

The basement of the church contains the electric motor which furnishes the power

for the grand organ and the fans for the distribution of hot or cold air as may be needed for heating and ventilation. Otherwise, beyond the presence of a large cellar with rooms for the storage of fuel and for the furnace, this part of the church building is not especially interesting. The basement of the church house contains a large dining-hall corresponding in location and size to the audience-room above. Off from this room—used also as a drill-room by the Sunday school cadets—are a kitchen, store-rooms, china-closet, lavatory, and coat-room, which occupy the space corresponding to the areas of the reading-room and parlors above. At the north end of the basement, beneath and corresponding in size to the total area of the two class-

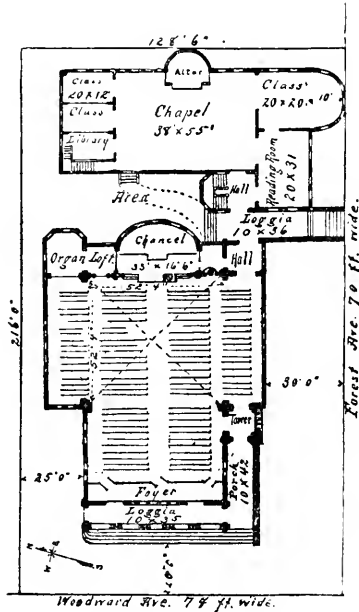

rooms and the library on the main floor, are the engine-room, fuel-room, and closets. As the chapel or lecture-room has free space to the roof, the second story exists only at either end of the building. At the south end and above the reading-room and class-room are respectively the pastor's study and the general work-room, which correspond to the sizes of the rooms below them. The entire area of the library and the two classrooms at the north end is, at the second story, devoted to a single large room which is used for the primary department of the Sunday school.

Both buildings are warmed by the use of hot air with automatic appliances for regulating the heat, and assisting their general ventilation; they are provided throughout with fixtures for both gas and electrical lighting, the electric lighting being used chiefly, the presence of gas fixtures being simply an emergency provision.

It is in the decoration of the church interior that the chief departure—so far as churches in this country may illustrate—has been made. This decoration builds its harmonic details from a key-note of blue, using therefor gold, white, yellow, black, bronze, green, brown, and red. The wainscoting is high and of quartered oak, antique in style. This is finished by a

continuous band having symbolic tiles in low relief and overlaid with gold, but subdued in tone by a double coat of lacquer. The most notable features of the entire scheme of decoration are four heroic-sized ideal portraits of Matthew, Mark, Luke, and John, strong in pose, drawing, and color, and shown against circular backgrounds of gold, nine feet in diameter, which are surrounded by frames of a lozenge design so treated as to color that each frame is typical of the bow of promise. These portraits (painted by Miss Lyle Durgin, of Boston), occupy respectively the four chief compartments of the main ceiling. The lower portions (eight in number) of the groined vault are occupied by graceful life-sized figures of angels typifying the eight cardinal virtues of Faith, Hope, Charity, Mercy, Constancy, Fortitude, Justice, and Humility. Finally the several triangular compartments of the vaulted ceiling are at the angles accentuated by the presence of well-painted cherubs. Thus the entire ceiling is brought together as a whole consistently as to design and color, in perfect harmony with the walls, windows, and church furniture, and perfect throughout as an example of ecclesiastical decoration.

The church is provided with quartered-oak pews of antique finish, handsome in design and furnishing a total of 956 seats. The chapel proper is provided with chairs (movable) for 350 sittings, although by opening doors to the reading-room and various class-room and side balconies an audience of 650 persons can be comfortably seated within view and easy hearing of the speaker's platform. The total cost of the lot and buildings complete was \$164,000, all of which was paid or pledged before the dedication, Dec. 13, 1891. John Lyman Faxon, of Boston, was the architect, and Haberstroh & Son, of the same city, the decorators, after the architect's designs in pattern and color.

The American Board, the oldest Foreign Missionary Society in the United States, was formed at Bradford, Mass., June 29, 1810, and held its first meeting at Farmington, Conn., Sept. 5 of the same year. Its mission fields now occupied are Mexico; the Hawaiian and Micronesian Islands of the Pacific; Japan; Northern China; Shansi in Northwestern China; Foochow and Canton and vicinity in Southern China; Ceylon; Madura in Southern India; the Marathi field in Western India, including the important centres of Bombay and Ahmednagar; East Central Africa; the Zulul of Southern Africa; West Central Africa; Eastern Turkey, from Mosul to Erzurum, including Mardin, Bitlis, Van, and the educational centre, Harpoot; Central Turkey, including the important cities of Aintab, Adana, and Marash; Western Turkey, from Trebizond to Constantinople, including Marsovan, Sivas, Cesarea, Smyrna, Brousa, Nicomedia, and Adabazar; European Turkey, from Constantinople to Samokov in Bulgaria, including Monastir in Macedonia and Philippolis in East Roumelia; Austria, emphasizing the Bohemian work in Prague; and Northern and Northwestern Spain, this work centring in San Sebastian, on the Bay of Biscay.

This wide-extended work embraces direct evangelistic effort through missionaries and native helpers; an immense educational trust, extending from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation, in different languages, of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed.

Pastors, in presenting the foreign work to their churches, are desired to emphasize this fact,—that these several departments of labor on the foreign field are carried on under one administration, and that contributions, therefore, should be proportionately enlarged. If one half of the benevolent contributions of the churches should be given to this broad work of reaching the unevangelized millions of other lands, it would probably not be too large a proportion.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, — the annual average of which, during recent years, has been over \$140,000, — but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 59 Dearborn Street, Chicago, and at 1316 Mason Street, San Francisco.

The latest statistics of the American Board report 20 missions, 1,233 stations and out-stations, 538 missionaries and assistant missionaries, 2,648 native laborers, 410 churches, with over 38,000 members, — over 3,550 of these received on confession of faith during the past year, — 136 high schools and seminaries for young men and young women, with nearly 8,000 students, and a total of about 47,000 children and youth under Christian instruction. The appropriations for 1892 already amount to about \$750,000, and it is desirable that the receipts for this year should reach, if possible, \$1,000,000. An average advance in donations of about fifty per cent will secure this honorable record. Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light*; also to the *American Board Almanac* and to the CHILDREN'S MORNING STAR MISSION, a special for Sunday schools. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

AMERICAN COLLEGE AND EDUCATION SOCIETY.

THE American Education Society was organized, and received its charter from Massachusetts, in 1816. The College Society, as the other organization was popularly called, was formed in 1843. These two societies were united in 1874, and the United Society is doing the work of both the original societies. The charter of the United Society was received in 1874 from the State of Massachusetts.

OFFICERS, 1892-3. (Office, No. 10 Congregational House, Boston, Mass.)

President. — HON. NATHANIEL SHIPMAN, of Hartford, Ct.

Vice-Presidents. — SAMUEL HOLMES, Esq., New York City; Rev. JOSHUA W. WELLMAN, D. D.

Secretary. — Rev. JOHN A. HAMILTON, D. D., Boston.

College Field Secretary. — Rev. JOHN L. MAILE.

Western Secretary. — Rev. THEO. Y. GARDNER.

Treasurer. — Rev. JOHN A. HAMILTON.

Assistant Treasurer. — Rev. A. H. CLAPP, D. D., Bible House, New York.

Recording Secretary. — Rev. A. H. PLUMB, D. D.

Auditor. — C. C. BURR, Esq.

Directors. — Mr. CHARLES C. BURR; Rev. ALEXANDER MCKENZIE, D. D.; Rev. H. Q. BUTTERFIELD, D. D.; Rev. ALBERT H. PLUMB, D. D.; Rev. E. K. ALDEN, D. D.; Rev. WILLIAM H. WILCOX, D. D.; Mr. EDWARD A. STUDLEY; Rev. GEORGE E. DAY, D. D.; Mr. THOMAS WESTON, JR.; Rev. JOHN A. HAMILTON, D. D.; Mr. GEORGE HENRY WHITCOMB; Rev. B. F. HAMILTON, D. D.; Rev. A. S. TWOMBLY, D. D.; Rev. CHARLES B. RICE; Rev. WILLIAM H. COBB; Rev. DEWITT S. CLARK; Rev. NEHEMIAH BOYNTON; Rev. CALVIN CUTTER; Rev. B. M. FULLERTON, D. D.; Mr. J. CONVERSE GRAY.

In both departments the Society has had a large agency in the civilization of the great West. The men who were pioneers in the work of preaching the gospel in the new settlements, and in the founding of churches and schools, were largely educated by this Society. The colleges, which are now among the foremost in these Western fields, were largely built up by the same agency.

The Student Department, organized 1816, aims to recruit the ministry by appealing to young men, and gathering funds to prepare them for their work without loss of time, health, or scholarship. It has aided 8,000, 449 being aided last year. They rank above the average. West Point fully supports every cadet. Our students are often poorly sustained, and are therefore crippled or lost to Christ's army. Our seminaries graduate, yearly, but about three ministers for each State, and nearly that number die each year. Gains come mostly from outside. "First Missionaries, then Missions." One hundred dollars invested in training the missionary often results in quicker self-support, and in a yearly saving of \$20 of missionary funds.

The College Department, organized 1844, aids our young, promising Christian colleges and academies to self-support. It has helped about thirty colleges, including Oberlin and the leading Western colleges. It is now aiding seven colleges, and will soon enroll several academies. The Society carefully investigates the claims of institutions asking aid, commends only the worthy, and aims to guard Eastern donors from needless appeals and to show where money will most count for Christian education in the great West. The Sabbath following the Day of Prayer for Colleges is fitly commended to the churches for making contributions to this cause.

The institutions at the West which have been assisted by the Society since 1843 are the following, viz.: Western Reserve, Illinois, Wabash, and Marietta Colleges, and Lane Theological Seminary. These five are the institutions which the Society took under its care at the beginning, in 1843. Those which have since been received on the list are Knox, Beloit, Wittenburg, Oberlin, and Berea Colleges, the College of California, Pacific University, Olivet, Ripon, Iowa, Carleton, Doane, Drury, Washburn, and Colorado Colleges, Pacific Theological Seminary, Yankton College, Fargo, and Pomona.

Those at present on the Society's list are Doane, Pacific University, Rollins, Whitman, Yankton, Fargo, and Pomona.

FORM OF BEQUEST.

I do hereby give and bequeath to the "AMERICAN COLLEGE AND EDUCATION SOCIETY" the sum of — dollars, to be paid within — months after my decease, and to be applied to the uses and purposes of that Society.

 Thirty dollars constitutes an honorary membership.

As this publication of accounts is called for too early to admit of the full statement for the fiscal year ending April 30, 1892, we give the following as the approximate receipts: by legacies, \$130,624.46; by donations and special funds, \$98,580.83. Total, \$229,205.29.

OBJECTS.

To preserve, improve, and promote the best use of the Congregational Library; to care for the Congregational House, remove the incumbrances upon it, and erect as soon as feasible, a new Congregational House in its place; to further the general interests of Congregationalism.

The denomination is slowly finding out, what the YEAR-BOOK has always maintained, that there are eight National Societies instead of seven. Our own society may well hope for those generous church contributions (only one for all time has ever been requested from each church), which had been a tradition of the past, but which would so admirably supplement the efforts of Congregationalists in Boston and vicinity to provide worthy and commodious denominational headquarters.

THE LIBRARY.

The plans for a new Congregational House contemplate no change in the Library building. There has been added during the past year a large and costly collection in the department of Early Congregational Literature, making the Library more worthy of its name than ever before.

Our special plea at present is for a *home* collection, which the pastors and clerks who read these lines can greatly assist in securing. We need

1. *Church manuals.* It is earnestly requested that each church clerk, before taking time to forget it, will send the Library a copy of *all* the editions of his church manual which he can lay hands on. Some of these contain quite full histories, which become more and more valuable with the lapse of time; most of them contain lists of names, which furnish precious links to the historian and the genealogist.

2. *Publications of Congregationalists.* This is a Library by the people as well as for them. It is not confined to ministers, but has an open side to layman as well. Everything which Congregationalists have ever published is welcome here, and should be freely contributed, since the funds must be chiefly expended upon the rare treasures of a distant past.

3. *Portraits of eminent men and women in the denomination.* We have room for a large addition in this department.

4. *Minutes of Councils, Conference statistics of church work, and all kinds of reports.*

5. *College, seminary, and academy catalogues, histories, class histories, etc.; everything pertaining to educational work.*

6. *Local historical facts, whether printed or written, church or secular; in short, everything furnishing materials for history.*

No other denomination of Christians has anything equal to our Library. Let us all do what we can to make it better.

Done. — 2,193 houses of worship in 49 States and Territories, and 334 parsonages in 34 States and Territories. Of these, 136 churches and 56 parsonages were completed in 1891.

Called For. — Aid for 201 houses of worship in 1892 to an amount nearly \$37,000 greater than the Treasurer paid by vote of the Board in 1891. These calls are largely from new or recent organizations. Nearly 700 of our churches will still be churchless, and more than half of our pastors will be homeless except as they buy, build, or hire, on their own account. Cheering interest awakens the hope that 1892 will lessen the growing demands by furnishing the needed means for supply.

Undeniable. — That no church can do permanent work till housed, and that scores die annually for want of a place to live in.

Nothing Pays Better. — 1. Spiritually in conversions and character-building. 2. Financially, in the actual return and reinvestment of funds used. Twelve per cent of all the Board has put into the work has come back. At the same time, church property valued at nearly \$10,000,000 has been secured by our furnishing aid to an amount less than one sixth that sum.

How to Keep Posted. — Subscribe regularly for *The Church Building Quarterly*, *Thirty Cents a Year*; send for leaflets as needed; read the *Congregationalist*, the *Advance*, the *Independent*, a special department of each of which is devoted to the diffusion of the latest facts regarding this and every phase of benevolent work.

Who Are Voters? — Annual, Life, and Honorary Members. Any one can become an Annual Member by sending \$5 each year to help on the work; or a Life Member by sending \$50 with a request to be a member. Any church can be represented in the management of the Society by an annual or life voter by sending as above.

The HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue is over 30,000 copies. An ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than sixty-five years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 5,621 churches have been organized and 2,763 have come to self-support. It has collected and disbursed in cash, \$13,984,024.91; and in clothing, books, and other supplies, largely the offerings of Christian women, \$1,864,462; in all, \$15,848,487. The additions to the churches have been 388,281.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home-missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of teachers in the Indian Territory and elsewhere, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed. The Woman's Home Missionary Association, having its office in Boston, an auxiliary of this Society, is the channel of the Home Missionary offerings of the women of Massachusetts and Rhode Island.

The number of missionaries employed in its sixty-fifth year (1890-91) was 1,912, 1,377 of them in States and Territories west and south of New York. They preached regularly in 3,270 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 154,722. The additions to the churches were 11,320; 7,244 of them on confession of Christ. Churches organized, 212; reached self-support, 56.

The sixty-fourth year's receipts were, in cash, \$635,180.45; in supplies, \$66,964; in all, \$702,144.45.

At least \$750,000 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, \$100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting of the Executive Committee chosen men are sent to new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

AIM AND WORK.

To preach the gospel to the poor. It originated in a sympathy with the almost friendless slaves, and in its work recognizes no distinctions of race or color. Since emancipation, it has devoted its main efforts to the South, endeavoring to prepare the freedmen for their duties as citizens and Christians in America and as missionaries in Africa. It also establishes missions and schools on the anti-caste basis among the whites, especially in the mountain districts. As closely related to this, it seeks to benefit the caste-persecuted Chinese in America, and to extend the blessings of the gospel and of civilization to the Indians of North America.

In view of the necessity of elevating the women of these races, the Association has a Bureau of Woman's Work, to which it especially invites the co-operation of the Christian women of the churches.

The New West Commission came into existence in obedience to a strong conviction that the peculiar evils prevailing in Utah and New Mexico could best be met by giving improved intellectual and religious training to children. The results of the movement fully attest the soundness and importance of this conviction. Several thousands of children have been brought under the instruction of the teachers of this Commission in both Territories, and the changes wrought in society thereby have been of the most marked and satisfactory character.

Special Needs.

To be supplied only as funds are specially furnished.

The Woman's Home Missionary Association, whose office is in Boston, have given very liberal support to the work of the Commission, from the early days of the movement. They now support eight teachers — six in Utah and two in New Mexico.

The Woman's Home Missionary Unions of Connecticut, Vermont, New York, Ohio, Michigan, Illinois, Wisconsin, Minnesota, Iowa, Kansas, Dakota, and Missouri are auxiliary to the Commission, and render much valuable and most welcome aid.

The two offices of the Commission are in the charge of competent clerks, under the supervision of the Secretary. Correspondence may be addressed to New West Education Commission at either office. Letters intended for the Secretary alone should be marked "Personal."

"The work of the New West Commission as a whole, comprising its permanent academies and its common schools, its Sabbath schools, and Christian Endeavor societies, its religious services and pastoral work, is much wider in its reach, more extended and powerful in its influence, and far grander in its opportunities and its promise than the churches that sustain it, or than even the Directors of the Commission, suppose." — *Report of Committee.*

THE THEOLOGICAL SEMINARIES.

BANGOR THEOLOGICAL SEMINARY, BANGOR, ME.

Opened October, 1816.

FACULTY.

Rev. LEVI L. PAINE, Waldo Professor of Ecclesiastical History.

Rev. JOHN S. SEWALL, Fogg Professor of Sacred Oratory and Rhetoric, and Lecturer on Pastoral Theology.

* Rev. LEWIS F. STEARNS, Buck Professor of Christian Theology, and Lecturer on Church Polity.

Rev. CHARLES J. H. ROPES, Hayes Professor of New Testament Language and Literature.

Rev. FRANCIS B. DENIO, Professor of Old Testament Language and Literature.

Rev. CLARENCE A. BECKWITH, Temporarily supplying the Buck Professorship.

† _____, Bond Lecturer for 1893.

A course of lectures by leading Maine pastors on important subjects connected with the pastorate is also given.

TERMS OF ADMISSION.—Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study. Those whose age or circumstances forbid the pursuit of the complete course of study may, at the discretion of the Faculty, be admitted to the studies of the Middle year, and continue their course with the full privileges of the Seminary.

COURSE OF STUDY.—*Junior Year*, Hebrew Grammar, Principles of Interpretation, Exegesis of the Greek and Hebrew Scriptures; Lectures on Old Testament Theology and Introduction, and on New Testament Introduction; New Testament Greek; Introductory Philosophy, with text-books and lectures; Essays, and Lectures on Style and English Literature.

Middle Year, Systematic Theology; Ancient Church History; Exegetical studies continued; New Testament Greek continued; Vocal Culture and Oratory.

Senior Year, Mediæval and Modern Church History; Homiletics; Pastoral Theology and Church Polity; Exegetical studies continued; New Testament Greek continued.

SPECIAL INSTRUCTION IN NEW TESTAMENT GREEK.—The demands of the churches for pastors have been greater than could be supplied with men of collegiate education. The Seminary has therefore admitted students who are well qualified in other respects, but have no classical training. They are usually persons who, by reason of age or other circumstances, cannot wisely be counselled to delay longer their theological studies. With reference to this class, special preparation in New Testament Greek has been provided.

PREACHING.—As it is believed to be conducive to the best professional training to combine practice with theory, and as special facilities are afforded in the comparatively destitute missionary fields in the immediate neighborhood of the Seminary, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. This privilege is enlarged after licensure at the close of the Middle Year.

POST-GRADUATE SCHOLARSHIPS.—Three scholarships have been recently established for graduates of this Seminary. Two are in Bowdoin College, and are for the purpose of aiding students who, after graduating in the Seminary, desire to take a post-graduate year in the College. The third is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

EXPENSES.—There is no charge for tuition, rooms, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need.

LIBRARY.—The Seminary has an excellent library, numbering seventeen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

The next seminary year will open on Thursday, Sept. 15, 1892.

The next anniversary will occur on Wednesday, June 7, 1893.

CALENDAR. — The annual period of study is divided into three Sessions by two recesses. The next seminary year begins on Wednesday, September 21, 1892, and ends June 15, 1893. Recesses, Dec. 19-Jan. 2; March 23-27; vacation, June 15-Sept. 20.

COURSE OF STUDY. — This is arranged so as to secure continuity and progress. The Junior Year is devoted to Hebrew, N. T. Greek, Biblical Exegesis and History, Fundamental Theology; the Middle, chiefly to Biblical and Systematic Theology; the Senior, mainly to Sacred Rhetoric, Pastoral Theology, History of Christian Life and Doctrine. Instruction in Elocution (lectures and exercises in vocal culture) is continued through the course. In the Middle and Senior years time is reserved for elective work. The elective courses for 1892-3 are: O. T. Introduction, The Life of Christ, Exegesis, Philosophical and Christian Ethics, Social Economics. Optionals in Arabic, Aramaic, Egyptology or Assyriology, Greek, German, Philosophy, Vocal Music.

FOURTH YEAR for advanced study. Each member of the Advance Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research. Six scholarships (\$200 each) are available for members of this class.

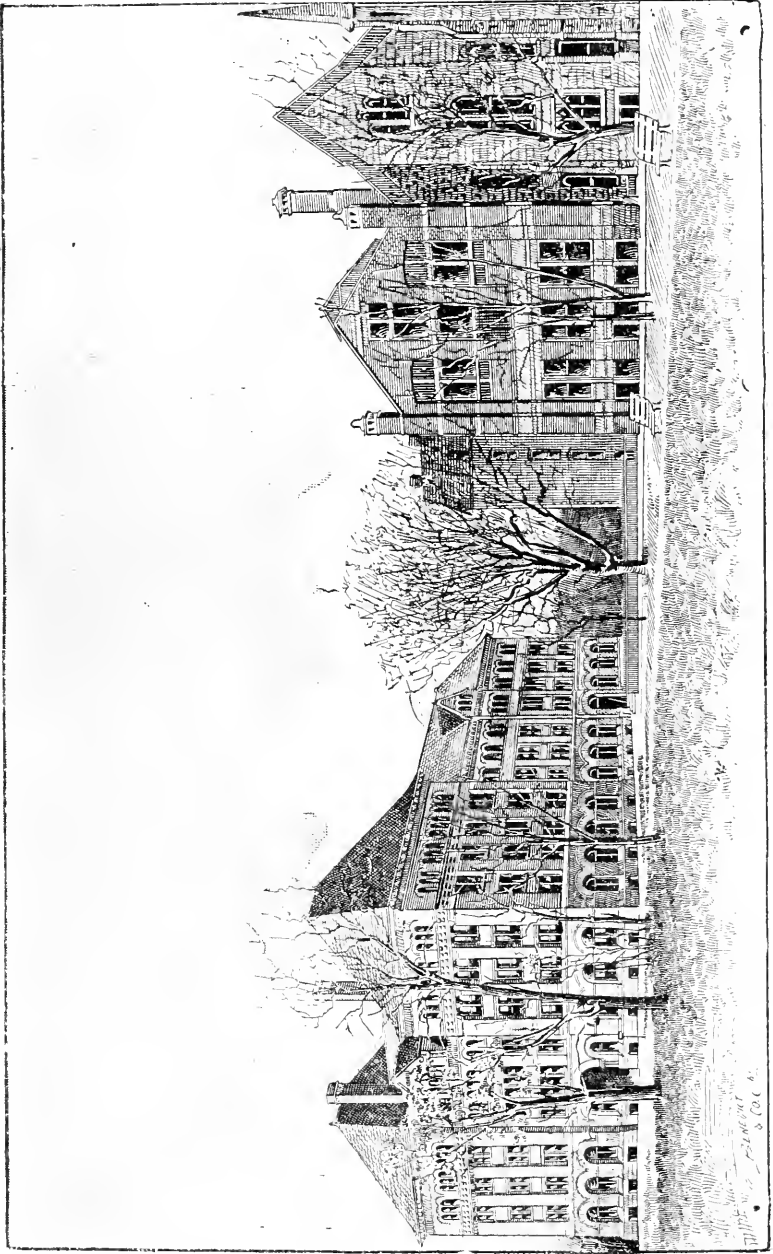

LIBRARY AND MUSEUM. — The Library now numbers more than 48,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. A full reference library has been opened on the ground floor of Brechin Hall. The Museum comprises objects relating to missionary life and work, a monumental slab from Nimrôud, a relief model of Jerusalem, and a collection, recently greatly increased, of Palestinian flowers, birds, animals, reptiles, insects, domestic utensils, weapons, coins, rolls, inscriptions, etc., constituting a remarkably large and rich biblical museum in which may be seen a multitude of objects referred to in the Bible.

A well-furnished Gymnasium is open to the use of the students.

LOCATION. — The Seminary was located with a view to the advantages of uninterrupted study. These advantages have been retained, and are accounted of increasing value. At the same time, through the rise and growth of cities in the immediate vicinity, the students of the Seminary have special opportunities for studying various conditions of church work, and different methods of preaching. Andover is within four miles of Lawrence, ten of Lowell and Haverhill, fifteen of Salem and twenty of Cambridge and Boston. The situation is remarkably healthful.

For information respecting Conditions of Membership, Studies (Prescribed, Elective, Optional), Lectureships, Honorary Scholarships, Pastoral Scholarships for Evangelistic work (Juniors), the Winkley and Seminary Fellowships (\$600 each), Expenses and Pecuniary aid, see Catalogue, which may be obtained by application to the President of the Faculty.

THE SEMINARY is managed by a Board of Trustees, annually elected by The Pastoral Union, a large and increasing body of active ministers.

The Bible holds a central position in the system of the institution. The course of study aims (1) to establish sound methods of *investigating* the Scriptures, (2) to train the power of *formulating* Scriptural truth, and (3) to indicate the way of *applying* that truth both to the facts of history and experience and to all problems of the present and the future. The Bible is minutely studied in its original languages; systems of faith and morals are inductively built up out of Biblical materials; every kind of practical question regarding individual and social life is studied in the light of Biblical revelation.

Hence the Seminary presents God's thought and God's will as the supreme objects of science and the supreme guides of conduct. It is thus forced to oppose all rationalistic and secularizing tendencies. Its chief purpose is the formation of personal religious character as the basis for scholarship, conduct, and power. The course of study occupies three years, and embraces a central prescribed course in encyclopædia, Hebrew, Greek, history, systematic and practical theology; and in addition, a large variety of *electives* in these and other branches of study, some portion of which must be chosen by every regular student. The method of instruction is partly through text-books, partly by lectures. Emphasis is laid upon a close personal relation between instructor and pupil. The apparatus includes ample buildings, a library of 55,000 volumes and over 25,000 pamphlets, reading-room, gymnasium, etc. Methods believed to be peculiarly effective are used in all departments. In pastoral theology extensive practical work is expected in preaching, and in the methods of all varieties of evangelistic and charitable effort. Systematic instruction is provided in music and elocution; also in German.

Special and advanced courses are provided for those who desire them.

As incentives to scholarship, four prizes, two fellowships for foreign study, and suitable degrees (granted only on special examination) are offered.

TERMS OF ADMISSION.—Candidates for admission must be members of some Christian church, and graduates of some college. Those who are not college graduates may after examination be admitted *on probation* during the first semester.

All courses are open to *women* on the same terms as to men.

EXPENSES.—No charge is made for tuition, rooms, furniture, and bedding, or use of the library and apparatus, except a nominal fee of \$20 for use of steam and for supervision. Board is provided at the Seminary under the care of the Students' Association at \$3.50 per week. Scholarship aid is provided for those needing it to the amount of \$60 to \$100 per year, in addition to the grant of \$75 from the Education Society. CALENDAR.—The fifty-ninth year begins on Oct. 5, 1892, and closes on June 1, 1893, with recesses at Thanksgiving, Christmas, and Easter.

 Rev. JAMES H. FAIRCHILD, Finney Professor of Theology.

 Rev. JOHN LEADINGHAM, Principal of the Slavic Department.
 Rev. EDWARD I. BOSWORTH, Professor of New Testament Language and Literature.

 Rev. LOUIS F. MISKOVSKY, Instructor in the Slavic Languages.
 Rev. A. HASTINGS ROSS, Special Lecturer on Church Polity.

The Department of Theology is open for the admission of students of every denomination. Students of this department are permitted to attend lectures and classes in the other departments, so far as they may have time, without extra charge. Upon those who complete the three years' Classical Course, the Academic Degree of Bachelor of Divinity (B. D.) is conferred.

CLASSICAL COURSE. — This has recently been greatly enlarged and rearranged upon the elective system. Candidates for a degree are required to have completed work amounting to 1,280 hours of lectures and recitations (besides rhetorical work). Of this work, 624 hours are required, including courses in Exegesis of the Greek New Testament, Natural and Revealed Theology, Church History, Homiletics, Relations of Science and Religion, and the Forms of Modern Scepticism.

In addition, 1,452 hours of elective work are offered, of which the student must elect at least 656 hours. The elective courses include Hebrew and Old Testament Exegesis, Old Testament Introduction and Theology, Assyrian, Syriac, Arabic, Aramaic, Septuagint Greek, New Testament Exegesis, Church History, History of Doctrine, Church Polity, Homiletics, and Pastoral Theology.

ENGLISH COURSE. — This is to prepare mature men for the ministry in two years. It includes preparatory studies in Rhetoric and Philosophy, 304 hours Exegesis of the English Bible, Special Lectures, and the full course of Systematic and Practical Theology.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants now in this country. It is in charge of a principal, an American, and a Bohemian-American instructor. The course of study varies to suit the circumstances of individuals, and culminates in the regular English or Classical course of the Seminary. In Bohemian, the students are drilled in the preparation and delivery of such various addresses as may be required of them in their after-work.

LIBRARY. — The Library of the College contains nearly thirty thousand volumes.

COUNCIL HALL, the building devoted exclusively to the Department of Theology, provides fully furnished rooms for fifty students. No expense is incurred for instruction, or for the use of the library. The price of board is from \$2.00 to \$2.50 per week, or from \$64 to \$96 for the thirty-two weeks of the theological year. Expenses for heating the rooms and for incidentals are \$30 annually, but the entire necessary expenses of the year— not including clothing, travelling expenses, and books — need not exceed \$100.

Help is granted from scholarship funds contributed by friends of the Seminary and from the American Education Society. The amount ordinarily received from both these sources is \$150.

The opportunities for students to aid in meeting their expenses are sufficiently numerous. Some are employed as teachers in the Preparatory School connected with the College, and the amount received for teaching an hour each day exceeds the cost of board. Many vacant pulpits in the vicinity are supplied by theological students, and compensation is rendered. During the summer vacation of four months, all may supply vacant pulpits in home-missionary and other fields; and such opportunities are abundant.

The year of study consists of thirty weeks in two half years. The next year begins Tuesday, Sept. 20, 1892.

PACIFIC THEOLOGICAL SEMINARY, OAKLAND, CAL.

Opened for service June, 1869.

FACULTY.

- * JOSEPH A. BENTON, D. D., Professor of Apologetics and the connection of Philosophy and Science with the Christian Religion.
 GEORGE MOAR, D. D., Professor of Biblical and Systematic Theology, and (*pro tem.*) of Church History.
 WALLACE W. LOVEJOY, D. D., Professor of Old Testament Languages and Literature, and (*pro tem.*) of New Testament Greek and Exegesis.
 Rev. CHARLES S. NASH, Professor of Homiletics and Pastoral Theology.
 Lectures are given frequently by leading pastors of the State.

REGULAR STUDIES. — *First Year.* Greek; Hebrew; Sacred Geography and Antiquities. Origin, History, Authority, Inspiration, and Canon of the Bible; Interpretation of the Scriptures; Religions of the World, other than the Christian; Natural Science; Mental and Moral Science; Rhetorical Exercises.

Second Year. — Biblical Theology; Greek; Hebrew; Exercises in the Exposition of the Scriptures; Systematic Theology; History of Doctrines; Rhetorical Exercises continued.

Third Year. — Pastoral Theology; Church History; Church Polity; Homiletics; Rhetorical Exercises continued; Connection of Natural Science with Religion. [An Exercise in Hebrew and Greek Exegesis twice each week during the second and third years.]

SPECIAL STUDIES. — In special cases, particular and modified courses of instruction will be given to those who cannot remain three years, or who, for other reasons, cannot take the full course of three years; and these courses of instruction will be adapted to the necessities of each person, it being understood that every one of this class will continue his studies as long as practicable.

PREPARATORY STUDIES. — Young men who have not had the advantage of a collegiate course, and who are, for good reasons, debarred from the prospect of such a course, are enabled to pursue literary and scientific studies under the direction of the professors in the Hopkins Academy, immediately associated with the Seminary. These preparatory studies will vary with the requirements of each student.

CALENDAR. — The year consists of but one term, and begins with the first of September and ends with the middle of May. There will be a recess during the Christmas holidays. Students should begin promptly with the term.

TERMS OF ADMISSION. — Credible evidence of piety, membership in some evangelical church, a collegiate education, or such other literary and scientific attainments as promise a fair degree of usefulness, will entitle all young men to the advantages of this Seminary. The benefits of the institution are accorded alike to students of all denominations of Christians.

EXPENSES. — There will be no charge for tuition, rent of rooms, or use of furniture. The trustees will, as far as practicable, furnish text-books free to those who are in need, themselves being the judges of the necessity. Those who desire it can board on the premises at the rate of \$5.00 per week. Fifty cents additional will be charged for washing.

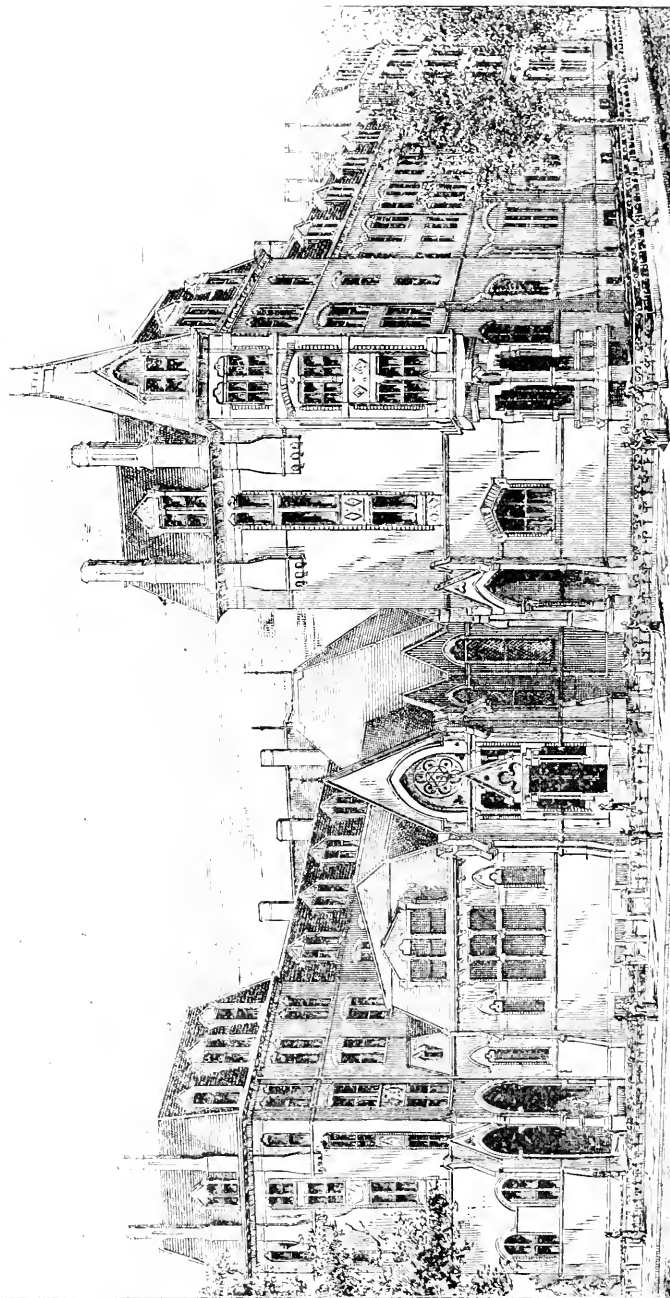

PECUNIARY AID. — The American Education Society will render aid to the pupils of this Seminary who are needy, who are college graduates, and who take the full course of three years. The amount bestowed will be, when possible, \$100 a year to each beneficiary. Seven paying scholarships yield an average of about \$130 each per year to nine beneficiaries.

An endeavor is continually made to provide for *all* the wants of every young man who wishes to take the full course of study, and every such person is urged to come to the Seminary, whether he has any means of his own or not. It is believed that the necessary expenses of a Theological School are less here than anywhere else in the Union.

No happier situation is known than the one occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. It is a cure for many forms of invalidism. The scenery about the site is not inferior to that of the far-famed Bay of Naples itself. Both the beauties and the grandeurs of nature are within reach; and, to some extent, those of man, also.

Its members receive from the Corporation, on completing their three-years' course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of the Fine Arts. COURSE OF STUDY. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars in this country and Europe. There are also optional classes conducted by the Professors in the Philosophy of Religion, German, Syriac, Chaldee and other subjects. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music if desired, is continued through the entire course.

GRADUATE OR FOURTH-YEAR CLASS. — Students who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors.

THE LIBRARIES of the University, to which the students have access, including the Reference Library of the Divinity School and the Library of Foreign Missions, contain more than 200,000 volumes.

THE HOOKER FELLOWSHIP, for the encouragement of further theological study in this country or abroad, the annual income of which is \$600 for two years after graduation, is offered to the class entering in September, 1892.

EXPENSES. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bed-room attached, and is carpeted and furnished with all needful furniture except bed-clothing. The chief expenses for the session are for board, \$3.25 to \$4.00 a week; fuel and light, \$25 to \$30; and \$10 a year for care of room and incidental expenses.

SCHOLARSHIP FUNDS AND OTHER AIDS. — Students whose circumstances require it are aided to the amount of \$100 a year, from the income of scholarship funds. Additional aid to the amount of \$75 is afforded by the American Education Society to its beneficiaries.

COMMENCEMENT OF THE TERM. — The next annual term of study will begin on Thursday, Sept. 29, 1892, and continue till the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

APPLICATION FOR ADMISSION. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to the Secretary of the Faculty, Prof. GEORGE B. STEVENS, *New Haven, Conn.*, or to any of the other Professors.

FIRST CONGREGATIONAL CHURCH, SALT LAKE CITY, UTAH.

Warren H. Hayes, Architect, Minneapolis, Minn.

This building was commenced in May, 1891. The material is a beautiful gray sandstone from Kyune, seventy-five miles distant. The interior finish of vestibules and auditorium is antique, oil-finish oak; the balance of main floor and the whole basement, natural-grain pine. The auditorium is octagonal in plan, with concave sides, pulpit, etc., diagonally opposite the tower. It is 66 x 66 feet by 34 feet high, bevelled floor and vaulted and domed ceiling, with ornamental centre light of art glass, with decorative ribs extending down from its eight corners to the eight supporting columns at the eight corners of the room. This room seats 550 liberally on this floor and 250 in a beautifully curved gallery extending half way around the outer wall, so terraced as to give all an unobstructed view.

Opening from the auditorium at the right of the platform by automatic partitions is the Sunday-school or lecture room, 45 x 48 feet, seating 300, all within sight of and near to main platform when the two rooms are thrown together for specially large congregations.

This room also has a high domed ceiling and a special entrance in addition to the one in vestibule between it and auditorium. The infant room, on the southeast, opens full width into the main Sunday-school room, seats 90.

Adjoining organ alcove, back of platform and choir, is the study of Rev. J. Brainerd Thrall, the pastor of the church. This has an open grate and light from the south.

The high, light basement under the whole of the structure, 73 x 12 feet, is finished off into supper-room, 44 x 46 feet, with its kitchen, serving-room, pantries, etc., the balance into ladies' parlors, young men's reading-room, coat, cloak, and toilet and heater rooms, halls, etc., giving complete facilities for revival work.

The building, with the new parsonage shown in the left of the cut, and now being finished with the church, will cost \$50,000, and all will be ready for use in the early summer.

The church and city met with a great and sad loss in the recent sudden death from heart failure of Col. O. J. Hollister, chairman of the building committee, and under whose personal supervision the enterprise was most faithfully carried forward.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1892 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1892, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:—

1. The statistics of the churches and their ministers, by States.
2. List of Congregational ministers in foreign lands.
3. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1892-3.
4. General summary tables for the year.
5. Tables of summaries, 1858-1891.
6. Remarks upon the statistics.
7. Alphabetical list of ministers, with P. O. address, and indexed to pages.
8. Alphabetical list of licentiates.
9. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by some association of a State other than their own are, therefore transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof-sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. The prime name in a table line is always supposed to be the name of the *place*, town, or city in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and this emphatic type, in line or margin, is used exclusively for names of post-offices. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton, West"; if itself a name, it supersedes the other, as "Newton, **Auburn-**

dale." Postal designations are not repeated on the second page, and special church names are sometimes given in the second line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since the date of State report; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked *p.*; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs the risk of error. The General Alphabetical List of Ministers gives their post-offices.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person designated is found in the original State alphabetical list, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so last year and may be presumed to be *in transitu*, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

As to "Contributions" and "Home Expenditures," in the earlier years reported above, it will be seen that this table is more an exhibit of the number of churches reporting than of totals raised. Before the issue of 1867, one half of the churches did not report

either item; many States did not have the item in their schedules. But the more recent reports, while far from complete, are full enough for some consistency and a basis of reasonable comparisons and deductions.

In this table, the "new" churches are occasionally such as were previously "dropped," or have not been previously reported. Under "Died" (Ministers) until 1875 no account was kept to distinguish between "acting pastors" and "without charge." The difference between "pastors" and "totals" includes these two classes. The fluctuations under "Benevolent Contributions" are greatly due to more or less full reports. See the annual number of churches reporting in table next above.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the page is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiatees are not included in this list, but a list of licentiatees follows this, and a list of ministers of other denominations.

Names of persons in last year's list, deceased since the issue of 1891, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac, or Mc, are among this number. Names beginning with Mc, or St, are arranged as if the word was not abbreviated.

Letters for our missionaries will be addressed to the care of the society mentioned with the name, such societies (initials) being (as are all foreign addresses) in italics.

By vote of the last National Council (*Minutes*, page 26), the separate list of ministers without pastoral charge is omitted, and the usage of previous years is resumed. Such names, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

HYMN AND TUNE BOOKS

PUBLISHED BY

A. S. BARNES & CO.

Carmina Sanctorum, by Drs. Hitchcock, Eddy and Mudge. A grand marching, fighting book, suitably voicing the courageous piety of the day.

Hymns and Songs for Social and Sabbath Worship, by the compilers of Carmina Sanctorum, is richer and fuller than other books and designed for smaller and suburban churches.

Songs of Praise, by Rev. Lewis Ward Mudge, D. D.; designed for prayer-meetings and gospel meetings. Is an attractive and low-priced book and used in many representative churches.

Hymns and Songs of Praise, by Rev. Drs. Hitchcock, Eddy and Schaff, is notable for its choice and accurate hymnology.

The Evangelical Hymnal, by Rev. Cuthbert Hall and Sigismund Lasar. This book contains approved versions of 600 excellent hymns, with tunes by the most celebrated composers of ancient and modern times.

Worship in Song, by J. P. Holbrook, Musical Doctor. In addition to his own compositions the author has drawn upon the store of English and German tunes.

Many Voices, by Rev. T. De Witt Talmage, is a new book, containing a selection of one hundred popular modern compositions, with about four hundred and fifty selected standard hymns.

Responsive Bible Readings, by Rev. Drs. Lorimer and Sanders. The peculiarity of this book is that the lessons are arranged according to subjects, and the selections on these subjects are taken from different parts of the Scriptures.

Bible Readings, by Rev. Dr. Thos. B. McLeod of Brooklyn, is rich in its variety of topics, wisely edited and handsomely printed.

The Psalter, by Rev. Dr. R. S. Storrs, contains 170 pages of selections from the Psalters and other poetic portions of the Scriptures.

“The richest and best Collection of Hymns and Tunes for Congregational use ever offered to the Churches.”

THE CHURCH HYMNARY

BY EDWIN A. BEDELL.

Rev. WALTER M. BARROWS, D.D., pastor of the 2d Cong'l Church, Rockford, Ill., who has recently ordered 600 copies of the Church Hymnary for introduction, writes:

“I do not know what the surprises of the future may be as to new hymn-books, but I feel sure that the Church Hymnary is the best that has yet appeared, and it is not likely that it will soon be surpassed.”

Rev. F. D. AYER, D.D., First Cong'l Church, Concord, N. H., writes:

“The Church Hymnary is more than meeting our expectations. Its special excellence becomes the more apparent each week as we use it. There is a spiritual tone and expression to the hymns, combined with an adaptation of music, that is truly helpful to all the service.

“I have not heard a single criticism in regard to it. We are perfectly satisfied that we made no mistake in adopting this book.”

Rev. CHARLES WOOD, D.D., First Pres. Church, Germantown, Phila., who has ordered 620 copies, writes:

“After careful examination we decided unanimously that the Church Hymnary is the best book we have yet seen.” And

Rev. C. M. LAMSON, D.D., St. Johnsbury, Vt., writes:

“It seems to be the best book, the most practical and worshipful, ever placed in my hands. We have used with great delight the 650 copies received from you.”

While the merits of its principal competitors, which have been before the public for many years, are cheerfully recognized, it is claimed that the Church Hymnary contains all that is best in the older collections, with a wealth of new material not to be found in any other collection which is already recognized as one of the strongest features of the new book. At first glance it seems hardly possible that the Hymnary contains about 1,000 hymns and over 800 separate tunes, exclusive of chants, as its broad, clear pages, most attractive to the eye, suggest only an ingenious use of space without overcrowding. The great variety of tunes affords an opportunity to provide with almost every hymn a choice between a good old tune and a better new one, thus making the book peculiarly and perfectly adapted to the varying needs of the churches.

The Church Hymnary may also be had bound with the Church Psalter based on the Authorized Version, arranged by Rev. Henry Van Dyke, D.D., or with a new Psalter based on the Revised Version, arranged by Rev. T. Ralston Smith, D.D.

The publishers have for a time been unable to supply the extraordinary and unexpected demand for the book. An eighth edition, of 10,000 copies, has recently come from the press, and we are now prepared to fill orders promptly on receipt.

A returnable copy will be SENT FREE to clergymen and music committees who desire to examine it with a view to its introduction.

THE ADVANCE,

Our Great Religious Family Weekly.

TWENTY-SIXTH YEAR.

THE ADVANCE IN EVERY HOME.

In one of our Western inland towns, considerably beyond the Mississippi River, the ADVANCE club has increased the past winter from 28 to 105 subscribers. In reply to the query how this had been accomplished, the pastor replies :

Hard work and everlasting stick-to-it-iveness is what does it. It must go to 125. I make it a part of my pastoral work and pray it into them. I have long felt that nothing else could do my church and people so much good or so build up Congregationalism and infuse the spirit and genius of Congregational loyalty and consecration under God as to get the ADVANCE into every family. It is my best assistant, makes fifty-two pastoral calls a year and is in itself an education. I shall expect improvement all along the line, better work, larger benevolences, more missionary interest, etc. It is the best paper published. I shall ever regard it a part of my pastoral duty to place it within reach of all my people. It grows better continually.
